

J&M WHITETAIL OUTFITTERS:

DESTINATION KANSAS

WELCOME to J&M Whitetail Outfitters: Destination Kansas! Thank you for choosing to hunt with us. We are grateful and will do everything possible to make your hunting experience a great one! This packet includes information about us, our policies and other helpful information. Please read, complete pages 3&4 and return by mail or email.

This is a trophy hunt for mature whitetail that are **4-year-old minimum**. You will be hunting in Southeast Kansas (Chautauqua and Elk Counties). There is an immense amount of suitable habitat in every direction.

Our purpose is to provide you with the greatest chance of being in the exact same place, at the exact same time, as one of these majestic creatures. At the center of our business plan is the absolute satisfaction and accommodation for our clients with the goal of developing lifelong friendships with each one. Hunting these animals is not just a job for us, it is our passion- one God has blessed us with the ability to pursue and share.

We operate on 21,000+ acres of long term, private leased, highly managed, prime habitat in Chautauqua and Elk counties. Our ground consists of a mixture of mature timber, cedars, river bottoms, oak flats, brushy hedgerows, agricultural fields, crop grasses...the entire Kansas experience. We focus on growing and managing some of the country's largest free ranging, fair chase whitetails.

Our approach is not hap-hazard, and we are not guessing. We consider the unique behavior of mature bucks, their means, and their methods. We scout and observe year-round and incorporate the information our hunters provide after each hunt. We use all this information to select the exact stand/blind location that will offer the best opportunity for the anticipated intercept. Rest assured, your stands are not over hunted or over pressured as we have over 21,000 acres of leased property.

Thank you for choosing J&M Whitetail Outfitters. We greatly appreciate you, your business, your support, and your friendship. **We cannot wait for you to experience this Kansas Hunt!**

Best Regards,
